2. EXONERATED- The act occurred but was justified, lawful and proper.
3. NOT SUSTAINED- The investigation produced information insufficient to prove Or disapprove the allegation.
4. SUSTAINED-All or part of the act occurred as alleged. (A finding of "SUSTAINED" must be based on the existence of substantial fact in support of reasonable proof.)

V. Documentation

If the complainant requested follow-up, the investigator should, thank them for sharing their concerns and advise them that the complaint was investigated and proper action was taken.
